

## How to Authenticate This Official PDF Transcript

This official PDF transcript has been transmitted electronically to the recipient, and is intended solely for use by that recipient. Release of this record or disclosure of its contents to any third party without written consent of the student is prohibited. Documents that have been forwarded, replicated, or retransmitted in any way should not be considered official. Students are permitted to add attachments and therefore any pages other than this cover page, the transcript, and the transcript legend should not be considered institutionally issued.

This official transcript has been digitally signed and therefore contains special characteristics. This document will reveal a digital certificate that has been applied to the transcript, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or Adobe® Reader. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by Parchment, with a valid certificate issued by GlobalSign CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

**The Blue Ribbon Symbol:** The blue ribbon is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

**Invalid:** If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

**Author Unknown:** Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

The current version of Adobe® Reader is free of charge, and available for immediate download at <http://www.adobe.com>.

**ABOUT PARCHMENT:** Parchment is an academic credential management company, specializing in delivery of official electronic credentials. As a trusted intermediary, all documents delivered via Parchment are verified and secure.

### Accreditations

Western Association of Schools and Colleges (WASC)  
Liaison Committee on Medical Education (LCME)  
American Chemical Society  
Commission on Teacher Credentialing  
National Association of School Psychologists and the American Psychological Association  
Accreditation Board for Engineering and Technology (ABET) of the Engineering Accreditation Commission and the Computing Accreditation Commission  
The Association to Advance Collegiate Schools of Business

### Credit

The University of California, Riverside operates under the quarter system. For purposes of transfer credit, units earned under the semester system are converted to quarter units at the time of admission, with 1 semester unit equal to 2/3 quarter unit.

### Grading

Grades listed below carry point values, which are used in determining the grade point average (GPA). In addition, the grades A, B, C, and D may be modified by plus (+) or minus (-) suffixes. Minus grades carry three-tenths grade point less per unit, and plus grades (excluding A+) carry three-tenths grade point more per unit than unsuffixed grades.

- A = distinction (4 grade points per unit)
- B = high pass (3 grade points per unit)
- C = pass (2 grade points per unit)
- D = marginal pass (1 grade point per unit)
- F = failure (no grade point value)

The following grades are not computed into the GPA:

- GD = Grade Delayed
- I = Incomplete
- IE = Extended Incomplete
- IP = In Progress
- S = Satisfactory
- NC = No Credit
- W = Withdrawal (denotes courses dropped after add/drop registration)
- P = Pass (School of Medicine Only)
- HP = High Pass (School of Medicine Only)
- H = Pass with Honors (School of Medicine Only)
- F = Fail (School of Medicine Only)

Grades with a leading T = Transfer work (from outside the University of California)

Grades with a leading W = Workload Credit

Grades with a leading X = Repeated work allowed for earned units but not in the GPA

In Progress = Represents enrolled courses that have not yet been graded

### Grade Point Average

The GPA is determined by multiplying each grade point value by the number of units assigned to the course, adding up these grade point units, and dividing the total grade points units by the total number of units for which letter grades are received.

### Term Statistics

**Earned Hours (EHRS)** — the total number of credit hours awarded to the student for successful completion of academic course work

**Quality Hours (GPA-HRS)** — the total number of quality hours used in calculating the quality point index (All courses taken on a letter grade basis)

**Quality Points (QPTS)** — points or grade points awarded for successful completion of academic work to be factored in the student's grade

**Grade Point Average (GPA)** — the student's grade point average

**This transcript is official only if it carries the following on the reverse: a stamped seal with the facsimile signature of the Registrar and the image of the University of California seal in the center of the page.**

### Course Numbering

**Lower-division (1-99)** — generally recommended for freshmen and sophomores

**Upper-division (100-199)** — normally open only to students who have completed at least one lower-division course in the subject or six quarters or four semesters of college work

**Graduate (200-299)** — normally open only to graduate students or undergraduates who have completed at least 18 upper-division quarter units basic to the subject matter of the course

**Professional (300-399)** — professional courses for teaching credential candidates  
**(400-499)** — other professional course

### Workload Credit

Workload credit is given for UCR classes preparatory to regular university work. Workload credit does not carry units for graduation but does count toward a student's academic course load and enrollment status. Workload courses are notated by a leading W in the grade (i.e. WA, WA-, etc.).

### Transfer Credit

Only credit that is accepted by the university is indicated on the transcript. Grades earned at UCR, at other UC campuses, through the Education Abroad Program, and taken under official UCR exchange programs with other institutions are included in the GPA. Effective Spring 1999 grade points and units for courses taken through the UC Riverside Extension concurrent enrollment program are also credited to the UCR transcript.

### Repeat Policy

Repetition of courses not authorized to be taken more than once for credit is subject to the following conditions: A student may repeat only those courses in which a grade of "D+", "D", "D-", "F", or "NC" was received (In some circumstances, students may repeat a "C-" to satisfy an academic requirement). Courses in which a grade of "D+", "D", "D-", or "F" has been earned may not be repeated on a Satisfactory/No Credit basis (S/NC).

Degree credit for a course will be given only once. When a course is repeated, only the most recently earned grade shall be computed in the GPA, up to a total of 16 units of repeated University of California course work. Thereafter, all grades earned in a course will be computed in the GPA. Repetition of a course that does not follow the repeat policy is excluded from the GPA as a duplication of credit.

- I = Included in Units and GPA
- E = Excluded from Units and GPA
- A = Excluded from Units and Included in GPA

### Honors Distinction

**Dean's Honor List** Any student who in any quarter completes a minimum of 12 units with letter grades, with no grade in any course below a "B" and who has a GPA of 3.50 or better for all work undertaken at the university for that quarter are placed on the Dean's Honor list.

**Chancellor's Honor List** Students who are placed on the Dean's Honor list for all three quarters in a single academic year (fall, winter and spring) are placed on the Chancellor's Honor List for that academic year. Established May 29, 1997.

**TO TEST FOR AUTHENTICITY:** The face of this document has a blue background and the name of the institution appears in small print. Apply fresh liquid bleach to the sample background printed below. If authentic, the paper will turn brown.

**ADDITIONAL TEST:** When photocopied, the word COPY appears prominently across the face of the entire document. The square logo on the face of this document is printed in thermochromic ink. When rubbed between thumb and forefinger, or breathed on, the logo will fade. When released, it will return to normal. **ALTERATION OR FORGERY OF THIS DOCUMENT MAY BE A CRIMINAL OFFENSE!** A black and white document is not an original and should not be accepted as an official institutional document.
